

because of obstruction of view. They are putting up children at play signs. Mr. Albercromby from DOT will be here to inspect the speed zone on Holder Road later this week.

Chief Jackson- Has any one talked to the Council about the house on 82 Liberty Street? We may have a half-way house trying start at that location. The Deputy Clerk A'Kimberly Lockett-Jones gave report on what was told to her and Mrs. Holloway. The gentleman told us that they were going to try open a non-profit that would give away clothes and food. Risk Management Policy needs to be reviewed and approved by Council to reduce the insurance cost. I emailed Gerald Green about trying to reduce the speed limit on Highway 27. It is too fast for the vehicles that are crossing the road. It is unsafe with the speed limit being so high. The Council needs to readjust the \$13,000.00 for Police budget. M. House – Would like to thank the police department for helping her daughter change a tire. F. Brown – Would like to say that they were on point this morning with the lights on in the school zone. M. Christian – would like to let the Council and the Chief know that they are still gathering on Elm Street. Chief Jackson – stated that they are aware of it. At 2:30 a.m. they make everyone leave. M. Christian will be putting up no trespassing signs and not to park on the grass. The Code has to be enforced. Chief Jackson – I will be typing up a letter in reference to following the law. I have been here for two months and they have not been following the agreement.
