Public Appearances –

Mona Hubbard – Thanked the Council allowing to close Surles Street on October 26th for the Community Block Party. Also, would like to ask the Council to allow her son to open the club on Surles street. Mayor stated it would be December before can get investigation completed and voted on. It would be best to try open in January. If the background is ok should not be any problem

Reports from Department Heads –

City Clerk Anne Holloway – On Friday, November 15th Flu vaccine will be available for employees. January 2020 there will be a Health Fair for employees. The Finance report is in Council folders. On

Finance report can see the new account Splosh 2019 has been opened. It is time for Open Enrollment for Employee Health Insurance.

Mr. David Davis – The problem at sewage treatment plant has been corrected. The Council voted for City to purchase the pump that was needed. The City has been cleared to use the County’s dump site now. We did purchase a pump for 900.00 to replace the old pump. The City is having sewage problems on Main and Surles Street. We had Rotor Rooter out to try to fix the problem. They were unable to fix it but charged \$1100.00. Dave Alexander will be coming to repair the sewage problem going to Post Office. There will not be a charge for this work. Reminder, that voting and tax sale will be November 5th. I am still working to take care of the problems of our Citizens.

Chief Jackson – Everything is going smooth. I have been working on collecting Police Department Fort Oil cards. I have found 25 so far. I asked them to delete all the old cards and to give us 5 new cards.

Chief Stewart - Absent
