**Council Input:**

**F. Brown** – Stated that citizens would like to have the streets edged and ant piles sprayed.

**B. Mallory** – Rev. Perrymond stays on North Street, and she would like someone to look into getting the trash and old cars cleaned up. I want to find out who put the internet in on Surles Street. It needs to be cleaned up where they dug up. The school principal wanted me to thank the police department for attending the meet and greet. There will be a meet & greet at Ebenezer on the fourth Sunday.

**B. Cullefer** - There have been a lot of complaints about the whole city looking like a mess. They are not trimming or edging.

**M. House** – The Lynch store on Broad Street needs to be cleaned up; it is a mess. If someone can reach out to see about getting it cleaned up. **B. Mallory** – Yes, we need to reach out to all the owners of the grown-up property in the city.
