Reports from Dept. Heads:

Clerk – A. Holloway informed the council that their folders had an update. The clerk told the council that there was a proposal from Mr. Mitch Whitfield in their folders. The council asked if I could get him to speak with them at the next meeting. The clerk informed the council that the LMIG account had been opened at Five Star Credit Union. The clerk asked the council to approve the work on Patterson Street. The council agreed to work on Patterson Street. The clerk asked the council if they had reviewed the information sent regarding the camera system for the public works. The council wanted to put the camera system on hold and review it at the next meeting. The council said to proceed with the new Green Grove Road water line. I want to address the school system's issue of using natural gas instead of propane. The council agreed that I should talk to the superintendent. Mayor Pro-Tem asked if the chipper was currently being used now. W. Clark stated that it was not being used and that the blades needed to be sharpened. Mayor Pro-Tem asked that they start using the chipper. She also wanted to see about opening landfills on the other city properties.

Public Supervisor – W. Clark informed the council that his update was in their folders.

Chief of Police – M. Holloway stated that he has a couple of projects that he would like to do at the Police Dept. There needs to be a wall built between Teresa's desk and the door. He would like to

build a closet on the other side. The council agreed that he should do the project at the police department. The Chief stated that there had been two incidents in the city – murder and arson. Both suspects have been caught. He would like to sell his patrol car to the school system. The council wanted to find out what the payoff was on the vehicle.
Fire Chief – G. Stewart
