The council received copies of the amended 23-24 and current budgets. I ask to look into purchasing a metal shed to house the chipper and backhoe. Additionally, there was discussion about potentially using TIA funds to buy a backhoe for the public worker dept. An LMIG grant application was submitted, and one of the projects submitted was to pave Elm Street, which would cost around \$450,000.00. Instead of paving, I suggest we purchase two to three dump truckloads of asphalt from Oxford to put down on Elm Street.

The public Supervisor, W. Clark, was absent, and his update was available for review in the council's folders.

Chief of Police – M. Holloway stated that still working on getting the camera set up.

Fire Chief – G. Stewart was absent.
